We provide quality, specialized care within a homelike environment for people with severe disabilities, so each person can achieve his or her fullest potential.
We provide quality, specialized care within a homelike environment for people with severe disabilities, so each person can achieve his or her fullest potential.

Our new logo comes with a new tagline: “A good life.” That’s exactly what you make possible for the young people entrusted to our care to have. Here’s a look at some of the ways the children and young adults of St. Mary’s Home and The Albero House enjoy a good life. They are benefitting from many activities because of donors like you. You’re changing the lives of the young people and their families by investing in St. Mary’s Home. Thank you.
All dressed up

Sometimes it’s just nice to get all dressed up and have a night on the town. Kulquinda, or KoKo for short, was the center of attention during our Auxiliary Board’s 9th annual gala and auction at the Hilton at the Virginia Beach Oceanfront. KoKo is quite the artist, and she created a painting of flowers that sold during the silent auction, along with clay art pieces made by other children of St. Mary’s. The master of ceremonies, WVEC-TV reporter and anchor Joe Flanagan, returned for a second year and did another wonderful job of keeping the evening running smoothly. Thank you to the many generous supporters who made the evening a great success, and a lot of fun for KoKo!
Rachel lives at The Albero House, our home for adults with disabilities. Her parents live in northern Virginia. That distance doesn’t stop them from enjoying each other’s company during meals. Many Friday nights, you’ll find Rachel savoring her dinner while her parents chat with her via Skype.
Fit for a queen

Hannah sat on a mat in her room, surrounded by staff members who applied her makeup, curled her hair and helped her slip into a pretty dress. When they finished, they chanted, “Prom queen!” A couple hours of dancing and merriment later, Hannah found herself in the center of St. Mary’s Atrium being crowned prom queen, with John as her king. Hannah, John and 14 other teens from St. Mary’s were joined at the prom by students from Grassfield High School in Chesapeake and Lifepoint Christian Fellowship. St. Mary’s recreational therapy department has been organizing this ritual of spring for several years.
About 150,000 people — including Carrington and KoKo from St. Mary’s — visited the Chrysler Museum of Art in the spring to see a very yellow, very big bath toy. They got to see the 40-foot-high “Rubber Duck” by artist Florentijn Hofman on its last day in town. What a great way to spend Memorial Day.
A portrait of the artist

Jorge, who has wanted to be an artist since he was a little boy, has had the opportunity to explore different ways of expressing himself through art therapy sessions. He’s also been working regularly with artist and volunteer Karen Ludwig to explore his interest in art. He’s even the president of St. Mary’s Art Club, which meets every Thursday. To see works by Jorge and other artists in residence at St. Mary’s, please visit the Home and check out our new art gallery.
Girl Scouts explore the Oceanfront

At St. Mary’s, “a good life” for the children and young adults includes being active members of the community. That’s why they take hundreds of fun field trips throughout the year. One of the biggest excursions of 2014 was a daylong trip to the Virginia Beach Oceanfront for four Girl Scouts — who made the summer “staycation” possible themselves by selling Girl Scout cookies in the spring.

Aly (pictured), Kulquinda, Amelia and Ashley took part in many fun activities during the day, including a free trip to the Virginia Aquarium & Marine Science Center and posing for an old-time photo on the Boardwalk. Other local businesses and attractions, such as Rockafeller’s Restaurant, Dough Boy’s California Pizza and Barclay Towers Resort Hotel, donated meals, tickets and a hotel suite to make the girls’ day extra fun.

Among those involved was Teresa Diaz of the Virginia Beach Convention & Visitors Bureau, who spread the word about the trip and volunteered to help stretch the girls’ funds. The Scouts presented Teresa with a framed piece of artwork, created by a child at the Home.

Watch a video with highlights from the trip:
Salim was among several kids who tried their hands at putting on a practice green with pointers from a real pro: golfer Marc Leishman, who visited St. Mary’s in August, just days after playing in the PGA Championship. Marc toured St. Mary’s with his wife, Audrey, and their friends, Jessica A. Hayes of Hook Law Center, who also is a member of St. Mary’s Planned Giving Advisory Committee, and Sheri Mantoni, a support coordinator at St. Mary’s. During the visit, Jorge, who also lives at the Home, presented Marc with a framed piece of artwork created by a child at St. Mary’s, and even showed Marc some of his own artwork. Thank you to Marc for donating $10,000 to St. Mary’s through The Presidents Cup.
Back to school, back to fun

After an active summer, Aby and other kids had a busy — and fun — first week of school right after Labor Day. St. Mary’s makes sure that every child, no matter how medically fragile, attends school, either at the Home or at public schools in Norfolk or Virginia Beach. Many families choose to have their children stay at St. Mary’s, which partners with Southeastern Cooperative Educational Programs, a regional public school serving Hampton Roads, to provide specialized instruction in eight classrooms at the Home.
A fall fete

Zach and other kids, families, staff, board members, friends and members of the community came together for our Fall Festival to enjoy a day of face painting, crafts, a petting zoo and more. Many staff and volunteers put a lot of work into preparation to make the festival a success, including painting 128 wooden pumpkins that kids decorated during the festival.
Colton usually goes home for the holidays, but his mom said that for Christmas 2014, he wanted to stay at St Mary’s. Colton, his parents, other children and families, staff and volunteers gathered on Christmas Day in St. Mary’s Atrium to open gifts and celebrate the holiday together. This sweet photo of Colton and his father appeared on the front page of the local newspaper the next day. (photo courtesy Bill Tiernan, The Virginian-Pilot)

Ask 100 people to define a “good life” and we suspect you would get 100 different answers. The same would certainly be true for the nearly 100 people who live at St. Mary’s Home and The Albero House.

As individual as these responses would be, there would be some common threads, too. They might arise from the “person-centered” foundation that contributes to a good life for the boys and girls and men and women who call St. Mary’s and The Albero House home.

The person-centered approach boils down essentially to “nothing about me without me.” Each person who lives at St. Mary’s Home or The Albero House fully participates in decisions regarding his or her care, education, activities of daily living and community involvement. Eliciting this participation can be complex, but the effort is worthwhile to see the progress that is made – be it clinically, or in the classroom, or as our residents integrate themselves more fully into the community. In simple terms, as folks maintain their health (or achieve improved health), do well in their studies and enjoy time with family and friends, they are building the basis for a general definition of a “good life.”

Meeting the needs and expectations of the nearly 100 individuals who live at St. Mary’s Home and The Albero House is challenging work that we carry out 24 hours a day, 365 days a year. Your support of our efforts is most appreciated, and your continued support is very important going forward.

While we remain focused on our efforts in Norfolk, St. Mary’s Home will increasingly explore opportunities to be of service to more people throughout the Commonwealth of Virginia. In this way, the St. Mary’s level of care and caring can be extended to more people who choose St. Mary’s as their best option for achieving a “good life.” Having said that, no matter what other ventures St. Mary’s might engage in, we have a firm commitment to ensuring that the care and caring at our “home base” will continue to be high quality and always responsive to the needs of our residents and others who will seek our care in the future.

Thank you for your support. It is because of you that we have an unrivaled place here at St. Mary’s – both in terms of our physical plant and, more importantly, our vibrant and very able staff (300 strong) who work hard every day to help our children and adults achieve their good life on their terms in our atmosphere of care and compassion and expertise. Thank you for making all this possible.

Thank you for helping children and young adults enjoy a good life

Nancy Wilcox

Amazing women support St. Mary’s in many ways to give kids a good life

On Wednesdays, Karen Hibbard comes in to spend time with the littlest residents of St. Mary’s Home. Kids like Payten, who are part of our Infant and Toddler Program for children up to age two years.

Volunteering with the children and young adults is just one of the many ways that the Auxiliary Board of St. Mary’s has been supporting the Home for more than six decades. The Auxiliary has sponsored St. Mary’s annual prom – with some members even accompanying girls on shopping trips to buy their dresses – as well as funded vehicles and other equipment, and created a summer luau for the kids to enjoy a taste of the islands. Members also spend a large portion of their year handling all the elements of a spectacular gala and auction that raises tens of thousands of dollars from generous donors to help provide a good life for the children and young adults of St. Mary’s and The Albero House.

Thank you to the extremely dedicated women of today’s Auxiliary Board, who work so hard to fill needs the Home otherwise could not meet:

**Auxiliary Officers, 2015**

*In August 2014, we lost our friend Katheryn Hutchison Mote, a loyal Auxiliary member and staunch supporter of the Home.*
When we opened The Albero House in 2013, we shortened our name from St. Mary’s Home for Disabled Children to St. Mary’s Home because we now care for adults as well as children with disabilities. But the heart of our mission stayed the same:

To provide quality, specialized care within a homelike environment for children and adults with severe disabilities, so each person can achieve his or her fullest potential.

The private, nonprofit St. Mary’s Home has always been a place filled with love, friends, activities and extraordinary care. For more than 70 years, we’ve provided a true home, evolving to offer medical, therapeutic, educational and recreational services for people with disabilities, from newborns to adults, in an atmosphere of warmth, nursing and personal attention.

This level of complex, around-the-clock care can be difficult for families to provide at their own homes. We serve families from throughout Virginia, and we’re pleased to serve military families while they are stationed in Virginia. Costs are covered by Medicaid, United Way and charitable contributions by donors like you.

To reflect who we are today and symbolize our dynamic future, we’ve developed a joyful new logo, which we’re proud to share with you here. The figures reaching toward one another, guiding and supporting each other, represent the children and young adults who live here, staff, families and you, friends of St. Mary’s. If you look closely, you might even see that the figures together form the letter “M,” for “Mary.”

Perhaps more importantly, the new logo comes with a new tagline: “A good life.” That is exactly what you help make possible for the young people entrusted to our care. We can’t thank you enough.

To learn more about admissions or our services, schedule a tour or request our new informational brochure, contact Melanie Pérez-López, director of social work, at (757) 622-2208 ext. 321 or mperezlopez@smhdc.org.

Please also visit saintmaryshome.org to learn more about what we offer and how you can help. And don’t miss our video about our services, which you can watch online at saintmaryshome.org/about-us.
We were touched by members of the Daughters of Wisdom from around the country who made donations in memory of Sister Mary June Morin, who passed away in early 2014. Sister Mary June had spent more than 50 years working, and then volunteering, at St. Mary’s. Two of the Daughters — Sister Grace Malonzo, second from left, and Sister Margaret McCabe, far right — visited St. Mary’s to present their collected donations.

The Junior League of Norfolk-Virginia Beach, Inc. named St. Mary’s Community Partner of the Year. St. Mary’s is grateful for this and our many other partnerships in Hampton Roads and beyond.

The Auxiliary Board’s 9th annual gala and auction, which raises funds to support the children and young adults of St. Mary’s Home and The Albero House, culminated with a drawing for a silver 2014 Jetta, generously donated by Checkered Flag Volkswagen & Hyundai. Congratulations to the lucky ticket holder, Sally Hartman, vice president of the Hampton Roads Community Foundation, which happens to be a longtime supporter of St. Mary’s! Save the date for the 2016 gala, on April 16 at the Half Moone Cruise and Celebration Center in Norfolk.

Fine art photographer Jackie Camire donated a collection of her nature photographs for hanging in The Albero House, our home for adults with disabilities. Here’s Jackie, left, with some of the beach scenes among her donated works. At right is Pat Yeiser; both women are members of the Peace and Justice Committee at Blessed Sacrament Church in Norfolk.
Payten was among the kids who met Elsie Harris, who was named a Volunteer of the Year by Dominion Virginia Power and designated St. Mary’s for the second time to receive a donation from the power company. Elsie, left, is a longtime supporter of St. Mary’s, and her granddaughter, Paige Beavers, right, is an LPN at the Home.

Families, guardians, staff and members of the public heard from experts on topics relating to children with disabilities as the free “Friday Forums” lecture series at St. Mary’s continued, with the generous support of Children’s Specialty Group and The Camp Family Foundations. Thank you to our three speakers in 2014: Dr. Michael Strunc, M.D., pediatric sleep medicine specialist at Children’s Hospital of The King’s Daughters; Lynn Earle, MPH, RDN, who provides all aspects of clinical nutritional services for children and young adults at St. Mary’s Home and The Albero House; and Terry A. Lyle, M.Ed., principal of the school at St. Mary’s (below). See saintmaryshome.org for the 2015 speaker lineup.

Trent and other children and young adults got checkups from dental hygiene students from Old Dominion University who visited St. Mary’s Home.

Hannah and Abigale were among the many children and young adults who enjoyed the physical therapy swing in The Albero House courtyard, newly landscaped thanks to the Fain family. One parent said her son has spent hours of fun on the swing.

Isaiah and other kids had a fun Sunday afternoon at the Wendy’s near St. Mary’s, on Newtown Road in Norfolk. The restaurant chose the Home as its community partner to receive a $500 donation during a ribbon-cutting ceremony of its newly remodeled building. The restaurant also generously provided a free meal for invited family, staff and friends.
Sierra was among 13 kids who took part in five races over the summer with Team Hoyt VB, including the Rock ‘n’ Roll Half Marathon in Virginia Beach over Labor Day weekend. Team Hoyt, a group that runs with people with disabilities in the community, has had a long partnership with St. Mary’s.

Brandon dropped by to check on our friends from Checkered Flag Volkswagen & Hyundai as they volunteered with the school at St. Mary’s. They assembled paper-based communications systems that help kids understand how to use a high-tech communications system. In red is Ynez Peterson, OTR/L, assistive technology specialist with the school at St. Mary’s. Congratulations to Ynez for being named the 2014 recipient of the Virginia Occupational Therapy Association Award of Merit for her contributions to occupational therapy scholarship and practice.

Gracie Booze, a teen in the International Baccalaureate program at Princess Anne High School in Virginia Beach, created a T-shirt for sale as a project over the summer. She donated the proceeds of $500 to St. Mary’s and presented the check to Kulquinda, who lives at the Home. Thank you, Gracie, for your support!

Nancy Vanek celebrated 500 hours of volunteering at St. Mary’s Home. That’s Nancy holding Iker, with Erin Vicinski, who manages the Infant and Toddler Program at the Home. Nancy used to volunteer at St. Mary’s as a teenager. She returned about three years ago, racking up those impressive 500 volunteer hours since then. St. Mary’s “is my favorite place to be,” Nancy said during a party in her honor. Thank you, Nancy, for your dedication to kids!

Most everyone got into the Halloween spirit with a costume parade, decorations and a holiday-themed opening of Classroom 10’s Sip o’ Joe coffeehouse. Students like John sell coffee, tea and baked goods to learn about running a business — and to keep the staff well-caffeinated!
Four speakers at an international conference in June in Norfolk were from St. Mary’s Home: Lynn Earle, MPH, RDN, head of nutrition services; Suzanne Eason, supervisor of occupational therapy support services (pictured); Melanie Pérez-López, director of social work; and Ynez Peterson, OTR/L, assistive technology specialist from SECEP REACH, which runs the school at St. Mary’s. About 85 families and more than 300 people total from across the country and as far away as Japan and Australia attended the conference by SOFT, the Support Organization for Trisomy 18, 13 and Related Disorders. These rare chromosomal disorders cause a number of health problems, including cleft palate, heart defects and severe developmental delays.

Mermaids, meet St. Mary’s mermaid. The generous members of the Ocean View Women’s Golf Association donated $3,000 to St. Mary’s — proceeds from the Mermaid Invitational Golf Tournament over the summer at the Ocean View Golf Course. The group has supported St. Mary’s over the years, with more than $12,000 contributed to the Home.

Amelia was among the last residents to move in to The Albero House, in late 2014. Thank you to our many supporters, like Sentara Leigh Hospital, as well as staff, family and friends, for making our home for adults a full house!

We really appreciate the many volunteers who come to St. Mary’s. Sailors from the Norfolk-based aircraft carrier USS Harry S. Truman, all members of the Aircraft Intermediate Maintenance Department, did a lot of tasks around the Home, including putting up holiday decorations and even installing a garage door.
Each Ambassadors supported St. Mary’s in many ways throughout the year. Members visited the Home and spent time with kids like Hanna in the pool over the summer. They also presented St. Mary’s with 75 percent of the proceeds from their Battle of the Beers event held in October. The event raised more than $7,000.

Thanks to Kerneos, Inc., Sierra and other children and young adults, as well as staff, once again enjoyed a fabulous annual holiday party in our Atrium, with dancing, food and gifts. Kerneos has generously donated to St. Mary’s in the past, including funds for a pottery wheel for the kids.

Braeden and other kids bowled with a computer as Norfolk City Manager Marcus Jones cheered them on during Field Day. Children and young adults danced, played games and more during the event, part of the United Way of South Hampton Roads Day of Caring in September. They even used an adaptive dunking booth to dump water on teachers and the principal. Our school staff created the fun Field Day with help from volunteers from Checkered Flag Volkswagen & Hyundai and the City of Norfolk. Afterward, the hungry volunteers dined on pizza from our friends at Uno Chicago Grill in Norfolk. The restaurant held a Dough Raiser for St. Mary’s, donating a portion of proceeds from orders to the Home.

The members of the Officers’ Mess at NATO’s Supreme Allied Commander Transformation (SACT) headquarters in Norfolk collectively donated $1,750 to St. Mary’s in support of the young people who live at the Home. Chief of Staff Lt. Gen. Phil Jones, a British Army officer, presented the donation.
We’re so proud of Martha Price Stewart, our director of development. She was one of 18 amazing Hampton Roads women who were honored at the Women in Business Achievement Awards presented by Inside Business.

Salim and other kids had fun visiting with Santa when he stopped by St. Mary’s Home. And staff got in on the act, too! Many thanks to Marlin “Mo” Patrick, a Dominion Virginia Power employee who has been coming to the Home dressed as Santa at the holidays for many years.

For more than a decade, the employees at Decker Law Firm have supported St. Mary’s by purchasing gifts for the children and young adults, and 2014 was no exception. The employees picked out items from the kids’ wish lists. Martha Price Stewart, our director of development, presented Peter Decker III with framed copies of photos from when his father, the late Peter Decker Jr., visited St. Mary’s Home in 1979 with entertainer Danny Thomas.

Our friends at Checkered Flag Volkswagen & Hyundai in Virginia Beach were honored with a Good Corporate Neighbor Award at the VOLUNTEER Hampton Roads 2014 Corporate VOLUNTEER Excellence Awards. The dealership was recognized for its support of St. Mary’s Home. Congratulations to Checkered Flag Volkswagen and also to Steve Fredrickson, chairman and CEO of PRA Group, for being selected as the 2014 Corporate VOLUNTEER Leadership Award Honoree. Fredrickson is a director on St. Mary’s Foundation Board.

St. Mary’s took home four awards from the Public Relations Society of America – Hampton Roads Chapter Pinnacle Awards: Best in Show, as well as first place for brochures, first place for annual reports and second place for newsletters. We are very thankful for companies like PRA Group for sponsoring our publications to help keep friends, family and supporters like you in the know about what’s happening at St. Mary’s.
Making a connection.

It sometimes requires extraordinary patience, effort and skill. But in a place filled with love and laughter, where victories are often hard-fought but deeply rewarding, it’s worth it. And every inch of progress is unforgettable. **How will you be remembered?** We invite you to link your legacy with ours through a planned gift. After all, love is forever.

Leslie Paul and her husband, Bill Seib, are planning for the future of St. Mary’s Home with gifts in their wills to provide a range of activities for the children. In the family portrait at left, Carrington gets a big hug from her mom during one of their frequent visits. Children like Carrington will be assured of quality care and plenty of fun thanks to people like Leslie and Bill, who were inspired by seeing “how happy they (the children) are doing activities.” Will you join with Leslie and Bill in making sure Carrington and other children will always have a safe, healthy and happy place? A place where families can be vital partners in caring for their children.

**St. Mary’s Home is proud to work with the following professionals on our Planned Giving Advisory Committee:**

Embrace Capital and Endowment Campaign

The following donors provided the final gifts that enabled us to exceed our $3 million goal to build The Albero House at St. Mary’s Home, dedicated to the care of young adults with disabilities and to provide for the future of St. Mary’s Home. We want to thank these donors for their generosity.

$10,000 - $24,999
The Fain Family
Mrs. Jane R. Miller

$5,000 - $9,999
Kerneos, Inc.

$500 - $999
Mr. Peter Jones

$100 - $499
Holy Spirit Catholic Church Parish

Certified United Way Agency
St. Mary’s Home is a certified United Way agency and receives support from individuals who designate St. Mary’s on their pledge forms.

We are pleased to recognize and thank our top United Way donors.

The Guardian Society
The Guardian Society recognizes donors who have included St. Mary’s Home in their wills, trusts or other estate plans intending to help us provide excellent care and meaningful programs for future generations of children and young adults. For information, contact Martha Price Stewart, director of development, at mstewart@smhdc.org or (757) 446-6797 or (800) 237-6555. Thank you.

Need a speaker?  
We’d love to help

Every club and organization faces the challenge of providing quality programs. We can help. Our staff members enjoy speaking about St. Mary’s and the exceptional care, education, therapies and recreational programs we offer for children and young adults who have severe disabilities. Our presentation is designed to fit easily into your breakfast, lunch or dinner program format, at no cost, and includes a lively, professional, 10-minute video, “The Power Of Touch.” Our speakers also are prepared for a short question-and-answer period.

To book a speaker from St. Mary’s Home, please contact Sonja Barisic, director of marketing communications, today at sbarisic@smhdc.org or (757) 352-2700.

You can help give kids a good life

Please donate today to help children and young adults with severe disabilities live a good life. You can make your gift online at saintmaryshome.org, call (757) 622-2208 or (800) 237-6555, or send it, with our deep thanks, in the envelope provided with your annual report.

When you make a gift to St. Mary’s, your tax-deductible contribution helps with essential medical care and brightens the children’s lives with adventures they treasure year-round.

Thank you so much for gifts you have made to St. Mary’s Home. Please consider a monthly recurring gift of $25, $50, $100 or more to increase the power of your donation.
